

COMPANY OVERVIEW

Herrera Enterprise Inc. DBA PainterBros of Indianapolis delivers residential and commercial painting services supported by careful preparation, clean application techniques, and consistent project oversight. Interior and exterior painting work is carried out with controlled surface protection to prevent staining or overspray, followed by thorough site cleanup to restore each space to its original condition. Crews handle drywall installation, drywall repairs, and finish work that support smooth, durable surfaces before final paint application. Pressure washing and seal coating extend the life of exterior materials and improve surface readiness for coatings or protective treatments. From initial prep to final walkthrough, project teams maintain reliable communication and disciplined execution that produce results aligned with client expectations.
